PRESIDENT: Are there any bills for introduction?

CLERK: Yes.

PRESIDENT: The Chair recognizes Senator Carpenter.

SENATOR CARPENTER: There are a number of bills for introduction which I have one. So I ask unanimous consent we pass over the introduction of any bills this morning and proceed with the business we anticipate.

PRESIDENT: Senator Carpenter is asking unanimous consent to pass over the agenda item of the introduction of bills we have this morning in the interest of expediting our movement towards General File Debate. Are there objections to passing over of the introduction of bills this morning. It will be handled Monday. Senator Schmit do you object.

SENATOR SCHMIT: Mr. Chairman I would like to get one bill introduced so we could schedule a hearing for next week, today if possible, because we are going to have trouble getting these hearings out of the way if we don't get them introduced.

PRESIDENT: All right, Senator Carpenter do you care to respond.

SENATOR CARPENTER: My bill is just as important as his. It would save the people of this state at least \$500,000. If we get involved in this thing what we do for one we have to do for all, that's the way it ought to be. We will spend half of the morning in the introduction of bills. I hope the Senator will not object.

PRESIDENT: All right, Senator Schmit do you withdraw your objection?

SENATOR SCHMIT: I withdraw that objection, Mr. President.

PRESIDENT: All right, thank you.

CLERK: Mr. President, your Enrolling Clerk reports that she did on this day at 9:15 present to the Governor for his approval LB 592 and 806 (Signed) Barbara Jackson, Enrolling Clerk. Mr. President, your Enrollemtn Committee reports that we have examined LB 64 and find the same correctly Engrossed. And 684, correctly Engrossed. (Signed) John Cavanaugh Mr. President your committee reports that 762 is correctly Enrolled.

PRESIDENT: Thank you. While the Legislature was in session and capable of transacting business I am signing LB 762. And then the Chair has the privilege this morning of introducing 33 Ninth grade students from Milford High School from Senator Epke's district, and their instructor is Mrs. Julie Jansy, apparently there must be some mothers, or maybe they are instructors, Phyllis Sees, Phyllis Cook, Arlene Hanson, some of those are sponsors, but anyway I think this is Julie's second time down here with a group this year. She does a fine job with those students in Milford, and we are delighted to have you here today as observers to the Nebraska Unicameral Legislature. We hope that you learn a lot about the process. And the Chair would only observe as a presiding officer that I can attest to the fact that this is where the action is today. All right. Are we ready for the consideration then for the bills on Select File. Senator Cavanaugh.
